- Respond to individual needs, interests and desires in planning and delivering supports.
- Support people to access community-based services and opportunities, enabling people to develop relationships and roles to ensure people are included and valued in their own communities.
- Work to maximise opportunities for people to meet their potential.

#### **Person specification:**

##### **Essential:**

- A FETAC/QQI Level 5 Major Award in Social Care/ Healthcare or relevant qualification- all 8 modules completed.
- Be knowledgeable of Health Act 2007 and have experience and understanding HIQA Regulations
- Values that correspond with Cheeverstown's values.
- Excellent verbal and written communication skills, including good listening skills.
- A person-centred approach to the provision of supports, including an understanding of the individual needs and abilities of each person.
- Flexibility to work in all areas of Resident Services.
- Openness to providing supports across a variety of activities.
- Commitment and dedication to enhancing the lives of people with intellectual disability and autism.
- Good IT and administrative skills.

##### **Desirable:**

- One years' experience working in the area of disability is preferable.

- Experience supporting people with autism.
- Possess a full clean drivers license and willingness to drive.

**Please note:** All job offers are subject to two successful references, ongoing Garda Vetting and a satisfactory pre-employment medical.

Salary will be paid at the Care Assistant grade on the HSE Consolidated Salary Scales, depending on qualifications and experience.
