

Plan Ireland: International Women's Day Concert for Girls and Women in Crisis (<https://www.activelink.ie/node/114248>)

This International Women's Day, celebrate the power of music and solidarity at our special charity concert in support of our work with girls and young women affected by crises.

Date: Sunday, March 9th, 2025

Time: 4:00 PM – 7:00 PM

Venue: The Grand Social, Dublin

Tickets: €10 in advance, €12 at the door – All proceeds go to support girls and young women in crisis

Why This Matters:

Girls and young women experience crises differently. From climate disasters to armed conflicts, they face unique risks, including violence and exploitation, yet their voices are often ignored in decision-making. We are working to change that—ensuring their needs are addressed and their rights protected in all situations. Through our programmes, we provide **safe spaces for girls, access to education in emergencies, mental health support, and resources to prevent gender-based violence**, helping them rebuild their lives and shape their own futures.
