Dublin City University Age-Friendly University (DCU AFU) – Global Lead for Ireland in Global Intergenerational Week 2025

DCU Age-Friendly University is delighted to announce that we will again lead Ireland's participation in **Global Intergenerational Week (GIW) 2025**. As the **Country Lead for the third consecutive year**, we are proud to champion **intergenerational engagement** and celebrate the power of bringing people of all ages together.

What is Global Intergenerational Week?

Global Intergenerational Week is an annual celebration dedicated to strengthening **intergenerational relationships**. The campaign fosters meaningful connections, shared learning, and community collaboration, showcasing the incredible impact of intergenerational initiatives worldwide. DCU AFU is proud to support organizations across Ireland in celebrating these important values.

Over the coming weeks, we will delve into seven inspiring themes:

- **Let's Raise Intergenerational Awareness**
- **Let's Challenge Ageism**
- **Let's Challenge Social Isolation and Loneliness**
- **Let's Celebrate Intergenerational Spaces and Communities**
- **Let's Save the Planet... Together**
- **Let's Develop Intergenerational Workplaces**
- **Let's Improve Intergenerational Quality and Sustainability**

This campaign highlights the fantastic outcomes that emerge when different generations connect, creating lasting relationships and stronger communities. **We want to hear from you!** Whether part of a local project or a global initiative, we invite you to share your experiences and ideas that bring people of all ages together in meaningful ways.

Stay tuned as DCU AFU unveils our plans for GIW 2025 through a series of planned events marking each theme.
