The Lidl Green Fund Overview

The Lidl Green Fund is a new community sustainability initiative from Lidl Ireland. The Green Fund aims to support, promote and empower environmentally conscious and healthy local community projects across the Republic of Ireland. At Lidl, we have created the €100,000 fund to support communities take an active role in championing sustainable living.

How it works

Community groups, schools and charities across the country can apply for funding through the application portal. Shortlisted groups are selected per county by Lidl employees and independent judges and the winners are selected by publicly nominated voting in Lidl stores through the Lidl Plus App.
