

FIT: Employability Mentor / Employment Supporter (Part Time) - Cuimsiú Programme (<https://www.activelink.ie/node/114418>)

FIT (Fastrack to Information Technology) believes in providing opportunity for everyone, and that all people should have a chance to be a part of Ireland's evolving digital economy. FIT believes that every journey must have a first step and that there should be no limits on a person's progression through education & employment.

About FIT's Cuimsiú programme:

The FIT Cuimsiú programme is a customised national access & career progression programme and is co-funded by the Government of Ireland through the Department of Social Protection & the European Union. It is supported by Pobal's WorkAbility: Inclusive Pathways to Employment Pathways programme. It is a new programme focusing on providing personalised pathways to certified industry technology & nationally accredited training and/or employment for individuals at risk of under, or long-term unemployment due to disability. In addition, the programme provides specialised support & guidelines for employers.

TITLE: Employability Mentor / Employment Supporter for FIT's Cuimsiú programme

Role & Responsibilities:

Duties:

- To work within the ethos and core values of Fastrack to Information Technology, please visit <https://fit.ie/careers/> (<https://fit.ie/careers/>).
- To report any concerns/issues/areas of risk pertaining to participants to the manager/relevant team as soon as they arise.
- To create content for online & classroom delivery for neurodiverse learners that exceeds accessibility & best practice standards.
- Be a strong advocate for each participant assigned to you upon registration, during their FIT journey and post course completion.
- Can review learning content and provide documented feedback to the FIT learning technologist team to make the necessary changes as appropriate.
- Keep appropriate and accurate documentation & provide administrative support to the Cuimsiú project coordinator.
- To identify and utilize community settings and to recruit & select programme participants.
- Represent FIT at external events & expos where appropriate.

Employability Work Preparation Programme:

- To ensure work of the FIT Cuimsiú Employment service continues to be informed by research, national and international best practice.
- To lead the development & delivery of content for each of six modular courses with the support of the FIT Teams & external assistive technology experts as needed, which includes but is not limited to CV development and Interview Preparation along with five other learning modules as outlined in the programme plan.

Sourcing Employment & Education Opportunities:

- To liaise with individuals and organisations to complete appropriate work needs analysis & personal progression plans (P4's) to enable each participant to be successful.
- Engage positively with multiple employers nationally in supporting a successful outcome for the supported employee

- and the employer via the creation of employer networking events & workshops.
- Play a key role in supporting the sourcing, maintaining and development of employment opportunities as appropriate for the persons supported.
- Guide individuals to maintain excellent work roles and workplace relationships.

Person Specification

Skills and Experience:

- Degree qualified (NFQ Level 6 Award min) or equivalent relevant to the role, e.g., Social Care, Occupational Therapy or Psychology.
- Experience with supporting individuals with a disability specifically neurodiversity to prepare and/or source further education & employment.
- Excellent communication skills & knowledge of Microsoft Word, Excel, PowerPoint and Canva.
- Preference will be given to candidates with a professional training delivery qualification & accessible course development experience.

FIT CLG is committed to a policy of equality of opportunity in its employment policies, procedures, and practices. The purpose of this policy is to ensure individuals will be selected, promoted, and developed based on their abilities and merits and according to the requirements of the job in question, and will be given equal opportunity to show their abilities and to progress.

The programme will include a baseline for gender diversity, as FIT continues its mission to increase female participation in the Irish tech sector of 50:50 by 2025.

Equal opportunity is a priority for the Company and is about removing all forms of discrimination. This policy applies to any discrimination on grounds of sex, marital or family status, sexual orientation, religious or political preferences, age, disability, race, or ethnic origin, being a member of the travelling community, or any other grounds.

This project is co-funded by the Government of Ireland, through the Department of Social Protection, and the European Union.
