WALK TOGETHER FOR THE SAME CHANCE
(<https://support.asiam.ie/>)

(<https://support.asiam.ie/>)

AsIAM's Same Chance Walk is proudly supported by PTSB. Join us on the 5th April for the Same Chance Walk for Autism, a nationwide movement bringing communities together to support Autistic people and their families.

Whether you're walking solo, with friends, or with your local community, every step you take helps create a more inclusive Ireland.

1 in 27 people in Ireland are Autistic, yet many still face barriers to education, employment, and community life. The Same Chance Walk for Autism is your opportunity to stand in solidarity and raise essential funds for AsIAM, Ireland's Autism Charity.

Together, we can ensure every Autistic person gets the same chance to reach their full potential.
