

Arctic Challenge for the Irish Heart Foundation **(<https://www.activelink.ie/node/114502>)**

(https://eventmaster.ie/fundraising/campaign/Arctic_Challenge_for_the_Irish_Heart_Foundation)

Story

Women are SIX times more likely to die from heart disease and stroke than breast cancer. However, cardiovascular disease in women remains under-researched, under-diagnosed and under-treated for too long. We need to change that.

A team of women will be taking on the Arctic Challenge to raise vital funds and awareness around women's heart health - because Her Heart Matters!
