### **Call for Tender; Analysis of Data from 2024 - Code of Good Practice for Development Education in Ireland**

The Irish Development Education Association (IDEA) is seeking a researcher to analyse the data gathered during 2024 as part of the IDEA Code of Good Practice for Development Education (DE) in Ireland. The research will examine what the Code data represents about Development Education practice in Ireland including strengths, gaps, innovation, and how this data can help articulate the impact of DE in Ireland. The research will culminate in a report reflecting insights and observations by the researcher, findings on the impact of the DE sector in Ireland, and potential areas for future strategic development of the Code.

**The deadline for application is Wednesday, 23 April.**
