Background information for this RFQ:

The current RFQ will address training and development needs identified by the Youth Work Ireland Managers' Community of Practice and the Youth Work Ireland CEOS network. The areas of training represent ongoing developmental needs for new and established managers and are intended to provide a consolidated programme of support for managers and team leaders.

About Youth Work Ireland

Youth Work Ireland is the largest youth organisation in Ireland. We are made up of 20 Local Member Youth Services (<https://www.youthworkireland.ie/our-members/>) and a national office. We support our members to deliver an Integrated Youth Services Model (https://www.youthworkireland.ie/wp-content/uploads/2022/02/integrated_services.pdf) to young people in their communities. This means that young people around Ireland can avail of a whole range of services and supports if and when they need them.

We actively engage with over 76,000 young people every week. Over the years we have developed highly innovative services, supports and programmes for young people between the ages of 10-25 years, including mental health supports, resilience building, anxiety programmes, drug and alcohol supports, LGBT+ youth work, club development, employability programmes, counselling services, rural outreach and fun safe spaces for young people to gather.
