

**WALK: Job Coach - Careers and Employment Team**  
**(<https://www.activelink.ie/node/114703>)**

At WALK, we strive to offer people with intellectual disabilities the opportunity to live the life of their choosing. WALK is interested in reaching out to committed individuals who want to make a real difference in the lives of others.

As part of our growing development of supports for individuals with Intellectual Disabilities, we are now seeking applications for the Job coach position to join our Careers and Employment team.

The Job Coach plays a pivotal role in the delivery of person-centred careers and supported employment practices within WALK and is responsible for the day-to-day operations of some key deliverables. Job Coaches are key drivers and champions in the organization's efforts to ensure people are supported to have the best possible life.
