

FIT: Cuimsiú Project Coordinator (Part Time) **(<https://www.activelink.ie/node/114839>)**

FIT (Fastrack to Information Technology) believes in providing opportunity for everyone, and that all people should have a chance to be a part of Ireland's evolving digital economy. FIT believes that every journey must have a first step and that there should be no limits on a person's progression through education & employment.

About FIT's Cuimsiú programme:

The FIT Cuimsiú programme is a customised national access & career progression programme and is co-funded by the Government of Ireland through the Department of Social Protection & the European Union. It is supported by Pobal's WorkAbility: Inclusive Pathways to Employment Pathways programme. It is a new programme focusing on providing personalised pathways to certified industry technology & nationally accredited training and/or employment for individuals at risk of under, or long-term unemployment due to disability. In addition, the programme provides specialised support & guidelines for employers.

TITLE: FIT Cuimsiú Project Coordinator Role:

The coordinator will be employed by Fastrack into Information Technology CLG, to lead the day-to-day coordination of the FIT Cuimsiú Project. The role will involve the following:

- Working closely with the FIT Diversity & Inclusion, FIT Learning Technology team and FIT Wellbeing Officer teams in the preparation and development of the programme.
- Managing two FIT employability mentors for the delivery of the programme.
- Facilitating and providing updates to an independent FIT Cuimsiú Advisory Council, on the progress of the project Plan & reporting directly to the Senior management team at FIT.
- Facilitating communication and the sharing of knowledge, information, and experience amongst the FIT programme teams.
- Organising training and information sessions on themes identified via consultation with advocacy stakeholders, FIT staff & feedback from FIT participants.
- Development of e-learning modules and the Cuimsiú online learning platform.
- Organising trainings, sharing resources and supporting the Cuimsiú Employer Network.
- Developing, reviewing, and evaluating programme events and activities.
- Preparing and disseminating communication updates to keep all participants updated on programme details and other relevant issues.
- Promotion as a FIT Ambassador of the programme as well as maintaining an ongoing social media presence in coordination with the FIT social media coordinator, overseeing the establishment of a webpage, and maintaining its content.
- Preparing progress reports in line with the requirements of the Pobal Workability programme.
- Conducting any other activities that will meet the overall purpose of this post.

Skills, Knowledge, and Experience Required:

- A third level qualification in a relevant discipline, e.g., social policy and human rights.
- Minimum 2 years' experience in a project coordination role and working in inclusive education & employment environments.
- Knowledge and understanding of the United Nations Convention on the Rights of Persons with Disabilities (UNCPRD), the social model of disability, the disability policy practice and legislative environment in Ireland.
- Knowledge and understanding of the barriers inhibiting neurodivergent people's participation in education and employment.
- Excellent administration and IT skills including in Microsoft Office suite.
- Ability to communicate and produce documents in accessible formats including Pobal progress reporting requirements.

Person Specification

- Commitment to the principles and practice of human rights and the social model of disability.
- Good group work and facilitation skills.
- A high standard of oral and written communication skills and an ability to build effective relationships with participants, employers, and stakeholders.
- Flexible, responsive, initiative-taking, and positively disposed to supporting FIT to achieve the programme objectives.
- Capacity to plan, prioritise and to manage multiple demands.
