Full Time position (30 hours)

An Siol Community Development Partnership are a registered Charity with officers in Manor St and Cabra Dublin 7.

We are a grassroots community development project working with people in the Dublin 7 area.

We offer a wide range of community services and supports to people and communities within our catchment area.

Our services are funded through the HSE, Pobal (SICAP program) CDSB and DCC. We are also a member of the Dublin City Community Co Op and operate under the principles of community development.

This position is funded through the CDSB, UBU (Your Place, Your Space) program and is based in our Manor St office, delivering after school's clubs and tuition services to young people.

An Siol CDP Values:

Values are core to how and why we work in our community

The underlying values that underpins everything An Siol believes in are:

Our Core Values: Respect, Dignity and Empathy and that An Siol is an integral valued resource in the community:

These are An Siol's Core Community Development Values/Principles:

- **Social Justice:** We aim to build a fair community where human rights are respected, human dignity is protected, human development is facilitated and the environment is respected and protected.
- **Promoting Equality:** We aim to support efforts to achieve equality at all levels in terms of access to and the distribution of economic, educational, social and cultural benefits.
- **Inclusion:** We aim to improve the terms on which individuals and groups take part in society—improving the ability, opportunity, and dignity of those disadvantaged on the basis of their identity.
- **Empowerment:** We aim to support individuals, groups and/or communities to take control of their circumstances, develop their own capacity and achieve their own goals to enhance their lives.
- **Challenging:** We respect and value diversity and difference; challenging oppressive and discriminatory actions and attitudes; addressing power imbalances seeking and promoting policy and practices that are just and enhance equality whilst challenging those that are not.
- **Grassroots:** We work at ground level with the local community.
- **Learning:** We will strive to be a learning organisation which promotes lifelong learning that evolves and develops to meet the many complex needs of the Community.
- **Collaboration:** We aim to work with all community stakeholders (community, voluntary and statutory) for the betterment of the community.
