National Youth Council of Ireland: Invitation to Tender (https://www.activelink.ie/node/115169)

The National Youth Council of Ireland (NYCI) invites tenders from individuals/organisations with the expertise needed to design, develop and implement a robust project learning and evaluation framework for Empowering Young People through AI, Data and Emerging Technologies.

Empowering Young People through AI, Data and Emerging Technologies is a two-year programme that aims to address significant national concerns and ensuring a positive impact for young people regarding AI, data and emerging technologies. It takes a partnership approach in collaboration with Insights, Dublin City University (DCU), and the Ombudsman for Children's Office (OCO) The programme aims to stimulate public dialogue and foster interactions between data experts and the community on crucial societal topics where AI and emerging technology play a pivotal role.
