

National Federation of Voluntary Service: Bridge to Community Vacancies x 2 (<https://www.activelink.ie/node/115173>)

The National Federation is pleased to announce two new vacancies for a project that will foster and promote innovative practice in the design and delivery of services and supports to people with intellectual disabilities and autism.

The Next Steps Bridge to Community Project will establish, facilitate and lead a community of practice and shared learning across voluntary intellectual disability services. The aim of this community of practice will be to foster and promote leadership in the full inclusion of people with intellectual disabilities and autism as equal and valued citizens, through the continued progression of rights-based supports.

The project will support service providers to continue the transition to a community and citizenship model of support through the provision of information, training, support and leadership, and will develop a creative space to share resources and foster collaboration, shared learning and innovation.

Please see attached Job Descriptions and Application Forms for two roles:

- **Bridge to Community Project Lead**
- **Bridge to Community Administrative Officer.**

The closing date for applications to ceo@fedvol.ie (<mailto:ceo@fedvol.ie>) is 5pm on 2 May 2025.
