Community Creations is the not-for-profit company behind Spunout, Ireland's award-winning youth information website, and 50808, a new free 24/7 text service, providing everything from a calming chat to immediate support.

Spunout is Ireland's youth information website, by young people for young people. Spunout's vision is to help create an Ireland where young people aged between 16 and 25 are empowered with the information they need to live active, happy and healthy lives. Spunout supported over 2 million young people with information resources in 2021.

50808 is a first of its kind for Ireland: a free 24/7 text service, providing everything from a calming chat to immediate support for people going through a mental health or emotional crisis - big or small. From breakups or bullying, to anxiety, depression and suicidal feelings, our Crisis Volunteers are available 24/7 for anonymous text conversations. Our aim is to provide immediate support in the short term and connect people to resources that will help them into the future.
