

The Pioneer Association (<https://www.activelink.ie/node/13122>)

Our mission is to address the problems in society caused by excess alcohol consumption and drug usage. We do this through:

- Faith and prayer
- Self denial
- Example
- Activities based on presenting alternatives to individuals, particularly the young
- Advocacy

Our vision - based on the love in the Heart of Christ, as expressed in The Gospels - is to help to build a society where people live to their full potential and alcohol can be enjoyed in moderation avoiding the ills that arise in society from excess in its use.
