

Fingal Film Festival (<https://www.activelink.ie/node/15081>)

MISSION STATEMENT The mission of Fingal Film Festival is to provide a quality venue, encouraging and promoting the works of local film community and National, International emerging filmmakers. The mission of the festival is "to enable the international film community and the general public to experience the power of film by redefining the film festival experience." We have one of the fastest youngest populations in Ireland, and geographically central to some of the leading media training colleges. It is part of The Fingal Film Festival's role is to engage with these colleges and play an integral part in their academic year, our aim in the next five years is to engage our festivals programmes to other internationally Media colleges .

EDUCATION - Utilizing the power of film to harness and direct the energy, vision and promise of Emerging New Film Makers / students. Whilst our predominant focus is to support and develop relationships with Fingal's emerging film makers, the festival also offers a diverse culture screening schedule, with 70% of screenings coming from international emerging filmmakers' creative works.

FILM MAKERS - Creating opportunities for filmmakers through connections with industry professionals & one-on-one guidance. Offering encouragement to our local Film Makers , we provide two prestigious awards to assist in the building of local filmmakers' portfolio of achievements. We strive to garnish talent by giving these emerging filmmakers access to some of the world's leading Industry Professionals during the festival through training groups and workshops.

OUR PUBLIC - Connecting innovative voices in film and media with new and diverse audiences
