
St John Bosco Youth Centre (<https://www.activelink.ie/node/164>)

The St. John Bosco Youth Centre is a community resource which provides pursuits, amenities, programmes and activities which seek to develop young people personally, socially, educationally and recreationally in a high-quality, safe environment that respects its users. All programmes and activities are delivered in ways which help to empower young people and develop their leadership skills. The individual needs, preferences and personal situations of the young people who use the Centre are respected and the most marginalized in the community are catered for.
