Sign Language Interpreting Service (SLIS) is the national Sign Language Interpreting Service for Ireland. Established in 2007, SLIS is supported and funded through the Citizens Information Board.

OUR MISSION STATEMENT

The mission of SLIS is to ensure Deaf people can live as full and equal citizens. We achieve this by developing, and advocating for, the availability of quality interpretation services to Deaf people and service providers in Ireland.

We work to ensure that Deaf people have easy access to public and social services and can exercise their rights and entitlements under the Equal Status & Disability Acts.
