

Cork Environmental Forum (<https://www.activelink.ie/node/214>)

Cork Environmental Forum is a cross sectoral, umbrella organisation of approximately 650 organisations groups and individuals mostly from the Cork region.

Our Mission Statement:

To foster, promote and implement sustainable development within the Cork Region.

Cork Environmental Forum Goals

- To satisfy the local features of UNCED Agenda 21 and the EU 5th Action Programme on the environment.
- To support sustainable development which achieves a good quality of life in a good quality environment.
- To provide a forum for all parties with an interest in the environment to engage in debate on current environmental issues and seek agreement on ways of resolving them.
- To stimulate and sustain the level of active environmental awareness, concern and care among the people of Cork.
- To participate in local, national and international Local Agenda 21 networks.
