

ICON (Inner City Organisations Network) **(<https://www.activelink.ie/node/243>)**

ICON is a Network of Organisations in the North East Inner City of Dublin. It is a Community Development Organisation open to membership to anyone living or working in the North East Inner City - individuals, representatives of tenants Groups and workers in local services and Projects.

ICON is:

- A local source of information
- Campaigns and lobbies around issues identified by the community
- Encourages local policy making through debate and discussion

ICON attempts to address a range of issues that affect the local community including; Community Development, Drugs, Youth services, Child-care, Housing, Education issues, Multi-cultural issues, Integration of services for children at Risk etc.

These issues are addressed in a variety of Working Groups made up of interested individuals. ICON also offers support to local Authority Tenants Groups through the employment of a Tenant's Group organiser.
