

Cork Equal and Sustainable Communities Alliance (CESCA) **(<https://www.activelink.ie/node/27519>)**

Sixteen community and voluntary organisations have come together, with the support of the HSE Social Inclusion Services Cork, to form an initiative called the Cork Equal and Sustainable Communities Alliance (CESCA). CESCA will work together to address issues of disadvantage in Cork city, as well as promoting social inclusion and social justice.

This new and innovative way of doing business will harness and protect the vast experience and excellent work of these front-line organisations that are at the heart of social inclusion services in Cork city
