Life changing education

Open Colleges has been providing life changing education for over 100 years, and we are now Australia's leader in online education. So far, we've have helped over 800,000 students gain the skills to launch, change or take the next step in their careers.

For more than 100 years we've been continuously evolving our approach to meet the needs of our learners by offering flexible, accessible and affordable courses that supports our students on their way to reaching their personal and career goals.

The reason we come to work every day

All of us at Open Colleges put the student at the centre of everything we do, whether that's helping you find the right course, designing a new course, making improvements to our online campus or giving you the support you need to reach your goals. Our students are the reason we come to work every day and we are so proud that we get to play a part in helping them to change their lives.
