

Brigit's Garden (<https://www.activelink.ie/node/31>)

Named for the Celtic Goddess and Saint, **Brigit's Garden** is located at the gateway to Connemara in County Galway, just a short trip from the bustle of Galway's town centre. We are open to the public daily from April to September from 10 AM to 5:30 PM and by appointment out of season. We offer on-going workshops, programs and events throughout the year and make the ideal venue-with-a-difference for your meeting or special event. We offer school programs and summer camps on environmental education and Celtic Heritage.

The beautiful gardens are set within 11 acres of native woodland and wildflower meadows, featuring a nature trail, ogham trees, children's discovery trail, an ancient ring fort and our spectacular calendar sundial, the largest of its kind in Ireland.

The gardens are entirely family friendly and wheelchair accessible.
