

## **Cope Foundation (<https://www.activelink.ie/node/31213>)**

Cope Foundation supports over 2,300 children and adults with intellectual disabilities and/ or autism in 65 locations across Cork City and County. The organisation provides a spectrum of services to the people it supports including early intervention, education, training, autism spectrum disorder, homes, short breaks, physical activities and sports, arts and creative therapies.

### **Cope Foundation's vision**

"A society where people of every ability can live life to the full."

### **Cope Foundation's mission**

- "To enhance the lives of people with an intellectual disability and/or autism; working in partnership with them, their families and local communities, to provide a range of person centred services and supports. These will enable each person to live life to the full, influence the decisions that affect them, and actively participate in their community."
