

Cope Foundation (<https://www.activelink.ie/node/31213>)

Cope Foundation supports over 2,300 children and adults with intellectual disabilities and/ or autism in 65 locations across Cork City and County. The organisation provides a spectrum of services to the people it supports including early intervention, education, training, autism spectrum disorder, homes, short breaks, physical activities and sports, arts and creative therapies.

Cope Foundation's vision

"A society where people of every ability can live life to the full."

Cope Foundation's mission

- "To enhance the lives of people with an intellectual disability and/or autism; working in partnership with them, their families and local communities, to provide a range of person centred services and supports. These will enable each person to live life to the full, influence the decisions that affect them, and actively participate in their community."
