

EmployAbility Service, Dublin South **(<https://www.activelink.ie/node/337>)**

Our service

We offer a free one to one personalised service to help promote diverse abilities and match the candidate to the right job.

Career Guidance

Provide Career Guidance to find out exactly what type of work you are looking for, including the location, hours and help with things like identifying transport links and any other additional support you may need. We also help with CV and Interview Preparation.

Vacancies & job support

Help you to find jobs and help support you with the application. We will also be there to support you (if you need us) even after you have started work.

Advice

Help advise on social welfare payments and how they may be affected if you take up work.

Advocate

Advocate and speak on your behalf to employers.

Skills and Training

Help identify skills, abilities, training needs and additional supports.
