

Viatores Christi (<https://www.activelink.ie/node/4151>)

Founded in 1960, Viatores Christi recruits, trains and places people in areas of need in developing countries for 1-2 years. We require people of all disciplines for overseas placements.

Our volunteers work in South America, Asia, and Africa and help make a long-lasting impact on the lives of others as well as making a positive contribution to their communities.

As a sending organisation we produce a contract to which we, you and your host organisation are party.

For anybody wishing to explore such a challenge, Viatores Christi offers a part time training programme (delivered as six weekend workshops – see attached) to prepare people for working in a new environment overseas.
