

Society of Saint Vincent de Paul **(<https://www.activelink.ie/node/4513>)**

The Society of St. Vincent de Paul (SVP) was founded in Ireland in 1844. It is the largest voluntary charitable organisation in Ireland. During its history it has helped people in need through a Famine, a Civil War, a War of Independence, two World Wars and several economic recessions.

Our focus is on practical approach to dealing with poverty, alleviating its effects on individuals and families through working primarily in person-to-person contact by a unique system of family visitation and seeking to achieve social justice and equality of opportunity for all citizens.

In addition to providing direct assistance to those in need, caring for the homeless, providing social housing, operating holiday homes and other social support activities, the Society promotes community self-sufficiency, enabling people to help themselves. Any assistance offered by the Society is given in a non-judgemental spirit, based on the needs of the individual or family seeking help.

The Society respects the dignity of those who contact us, offering assistance and advice when sought, maintaining their dignity while assisting them towards long-term self-sufficiency in a relationship of friendship, trust and confidentiality.

Mission Statement

The Society of St. Vincent de Paul (SVP) charity is a Christian voluntary organisation, working with poor and disadvantaged people. Inspired by our principal founder, Frederic Ozanam, and our patron, St. Vincent de Paul, we seek to respond to the call every Christian receives to bring the love of Christ to those in need: "I was hungry and you gave me food" (Matthew 25). No work of charity is foreign to the Society. We are involved in a diverse range of activities characterised by:

Support and friendship

Through person-to-person contact, we are committed to respecting the dignity of those we assist and fostering self-respect. We assure confidentiality at all times and endeavour to establish relationships based on trust and friendship.

Promoting self-sufficiency

It is not enough to provide short term material support. Those we assist are also helped to achieve self-sufficiency in the longer term and the sense of self-worth this provides. When problems are beyond our competence, we enlist the support of specialised help.

Working for Social Justice

We are committed to identifying the root causes of poverty and social exclusion in Ireland and, in solidarity with poor and disadvantaged people, to advocate and work for the changes required to create a more just and caring society.
