### **About Us**

The Irish Wildlife Trust (IWT) is a non-governmental organisation and charity founded in 1979 (Charity no: 20010966). The Irish Wildlife Trust aims to conserve wildlife and the habitats it depends on throughout Ireland while encouraging a greater understanding and appreciation of the natural world and the need to protect it.

### **Our Mission**

The Irish Wildlife Trust works to create a better future for Ireland's biodiversity by motivating and supporting people to take action to protect biodiversity. We achieve this through wildlife walks and talks, citizen science projects, community & school education, practical conservation activities, and biodiversity campaigning and advocacy.
