Depaul believes that everyone should have a place to call home and a stake in their community. Our aim is to work with those who are socially excluded and marginalised by providing a quality led service in order to produce the best possible outcomes for those accessing our services. We strive to empower our service users to make choices and decisions about the way they live their lives. We work in partnership with central and local government, housing associations and other non-governmental organisations.

### **Vision & Mission**

Our Vision is of a society in which everyone, across the world, has a place to call home and a stake in their community.

Our Mission is to end homelessness and change the lives of those affected by it.

### **Our Values**

- We celebrate the potential of people.
- We put our words into action.
- We aim to take a wider role in civil society.
- We believe in rights and responsibilities.
  
- Depaul believes homelessness has no place.

We exist to serve homeless individuals and families, caught in the spiral of homelessness, deprived of all control of their lives. When every door is closed to them, Depaul is there because they deserve support to rebuild their lives and progress to a positive future.

### **We approach this:**

With compassion and a willingness to do whatever it takes, no matter what.

With expertise and professionalism so the most excluded get the help they deserve and are not overlooked or ignored.

And we don't stop there – we innovate when services are needed.

We advocate for hard-to-reach groups and are willing to take risks to make sure that services exist for those experiencing homelessness.

Founded by the Society of St. Vincent de Paul in the Republic of Ireland in 2002 and in Northern Ireland in 2005, Depaul is a separate charity helping people most in need.
