

Meath Arts Group (<https://www.activelink.ie/node/63>)

Meath Arts Group is a cultural organisation founded in 2006 seeking to support working visual artists and to promote full recognition of the value of their works. These visual artists have joined together for the benefit of shared resources, education and marketing.

The purposes of Meath Arts Group are to organize, promote, encourage, assist, and develop the interests of visual artists in Meath; to raise the profile of artists and the arts within the community and to make the arts accessible to the broadest possible public; to assist in the development of the broader arts infrastructure locally by networking with other arts bodies and contributing positively to arts policy.
