

[New Life Centre \(https://www.activelink.ie/node/91721\)](https://www.activelink.ie/node/91721)

The New Life Centre is a family resource centre established in 1999 to enable the community of Darndale Belcamp and the surrounding areas of the north side of Dublin to 'realise their potential'.

The New Life Centre supports the local community through the provision of a range of vital support services for children, young people, parents, adults and people with learning and physical disabilities as well as senior citizens.

We provide an Afterschool Programme for 5 to 12 year olds, an Educational Support Programme for Junior and Leaving Cert students, Summer and Easter Camps, a donation-based Counselling Service, Adult Courses in Pottery, Flower Arranging, Knitting, Crochet, Arts & Crafts, Mindfulness, etc. for both able-bodied, elderly and members of the community with learning and physical disabilities, a Drop-in Coffee Dock and a weekly Community Food Bank facilitated by Crosscare and the SVP. We also facilitate the meeting of various community groups – Senior Citizens, Ladies Club, various local SVP groups, some local support organisations along with the provision of Meeting Rooms.
