

Mayfield Community Training Centre **(<https://www.activelink.ie/node/92649>)**

Since its inception in 1985, the Mayfield Community Training Centre has made a hugely significant contribution to the Mayfield community through its provision of accredited training educational programmes, support services to early school leavers and the young unemployed people of the area.

The pursuit of excellence in the provision of services to our clients and our ever present need to be relevant to our community has traditionally been the driving force shaping the structure of the day to day operations at Mayfield Community Training Centre.
