

The Learning Curve Institute **(<https://www.activelink.ie/node/93585>)**

The Learning Curve Institute is Ireland's leading specialist trainer in mental health, addiction and best practice in the workplace. The Institute was set up as a Private Limited Company early in 2009. All of our training is designed and delivered by professionally trained specialists with real life on the ground experience. Our team has been slowly and thoughtfully built using personal connections which are based on trust, mutual respect and a strong commitment to excellence in their respective fields of expertise.

We are proud of the fact that the majority of our customers are repeat business. We have built a strong reputation through actively listening and tailoring our training to make sure that it meets their specific needs.

Mission Statement

Our mission is to assist businesses and organisations in empowering their personnel to cope with challenges in the working environment and implement best practice in the workplace.

Our Vision

We exist to create inspiring and informed training experiences for our clients, by collaborating and developing meaningful relationships with them.

Every day we work to establish a culture that better supports our clients with the challenges they face in their place of work.

Our Values

Client focused - we place a strong emphasis on understanding and listening to our customers' needs and delivering the right solution.

Pride in what we do – we are committed to excellence in our work

Teamwork - we are building a business that is fair, tolerant and where we are happy to work

We value enjoyment - we work with our clients to ensure that we provide the information they need in a way that is relevant, memorable and fun.
