

HRB National Drugs Library **(<https://www.activelink.ie/node/93591>)**

The HRB National Drugs Library supports those working to develop the knowledge base around alcohol and other drug use in Ireland. We aim to enable evidence-informed decision making in research, policy and practice by providing relevant and appropriate library and information resources and services. We are funded by the Department of Health, and based within the Health Research Board, which is the lead agency in Ireland supporting and funding health research.
