

Cumas New Ross (<https://www.activelink.ie/node/94236>)

Cumas New Ross is the business name of Co. Wexford Community Workshop established in 1975. We provide support and services to adults with a mild to moderate intellectual disability. It is our vision that all individuals achieve the highest possible levels of participation, involvement, and independence at work, in their local community of choice and society in general, by the enhancement of and commitment their rights, will and preference, wants and needs, opportunities and future aspirations.
