

Vision Community Support Services **(<https://www.activelink.ie/node/94635>)**

Vision Community Support Services (VCSS) is an Irish registered organisation set up for Charitable purpose. Every migrant living in Ireland deserves the right to access the right information and support in order to enable them integrate well into the Irish community. **Vision Community Support Services** is here to promote, empower and integrate migrant communities living in Cork and its vicinity. **VCSS** will network with other community services, migrant organisations, local authority and other Government Agencies to make sure migrants communities access the right information needed to help them integrate in the community.

Our Mission

VCSS will provide support, refer migrant families to relevant services where they can receive the help needed. Our mission is to make sure every migrant child, young person and their family receive the highest standard of support and care by ensuring they have immediate access to relevant information and support available for them in the community.

Our Vision

- Making sure every migrant receive the right information and support needed
- Ensure parents understand the importance of maintaining contact with their children even after separation or divorce except there is a concern about the child's safety with the other parent
- To make sure every young migrant person leaving Foster Care receive the right support and help needed to enable them transition well and live independently.
- Refer migrants to the right services
